### Plant To Be In Full Production By Friday; Union Vote Yesterday

A unanimous vote, conducted yesterday afternoon among 300 members of Oil, Chemical & Atomic Workers local 7-663, ended the 25-day-old strike of the Union Starch & Refining Co. plant here.

John McBride, manager of the local plant and vice-president of the company, said workers began reporting back to their jobs today on a progressive recall basis and the plant should be in full operation by Friday or Saturday.

Union acceptance of a company proposal followed six daily sessions of contract negotiations last week, starting last Monday morning and continuing through Saturday afternoon.

The company offer was presented to the union membership by Local President Russell Temple, Godwin said about 300 of the 400 union members were present.

## Loot Tops \$1400 In Local Theft, Robbery Cases

### Robbers, burglars and thieves were busy in the Quad-Cities area during the weekend, netting loot valued at more than \$1400.

Articles valued at an estimated \$700 were removed by burglars from a residence on the Brewster farm on Chouteau slough road south of the Chain of Rocks canal bridge, the sheriff's office was notified at 11:30 a.m. Saturday. The building is being remodeled and has been unoccupied recently.

Taken were a bed bathtub, basin and other fixtures from a bathroom; a 40-gallon gas water heater; a kitchen sink; a brown table-model radio, 60 feet of copper tubing and miscellaneous plumbing supplies.

### \$182 Burglary At Home

A burglary occurring Saturday evening resulted in theft of about \$600 in cash. It was reported at 1:28 a.m. Sunday by Mrs. Vance M. Reznack, 2028 Clark street.

Entrance was gained by entering a door at the rear of the Reznack garage and then apparently using a crow bar to pry open a door leading from the garage to the kitchen.

Virtually all drawers inside the house were ransacked, and the money was taken from a bureau drawer. Mrs. Reznack told police. Nothing else was missed as missing in the initial investigation of the home.

### Beaten, Robbed Of \$68

Estes Hearn told Venice police he had been pistol-whipped and robbed of \$68 in cash Friday by two armed men who entered his car while the vehicle was parked near Perry tavern, Eagle Park.

Hearn, 122 Garner road, Venice, said the pair entered the car in which he was seated and one of them struck him in the face with a pistol. He said the two attempted to push his car into a ditch and then escaped in a pickup truck.

Venice police notified the Madison County sheriff's office and a deputy interrogated Hearn. A suspect is being sought.

### Car Wheels, \$8 Taken

The two rear wheels were stolen of the auto of Eule Thompson, 1001 Madison street, between 1:30 and 1:30 a.m. Saturday, and he also notified sheriff's department.

He said two men whom he met at Lesko's tavern, Sixth street and Madison, stole the wheels.

Local police were advised that the wheels were taken from the car while it was parked on the Lesko's tavern parking lot.

A report to the county mentioned the wheel theft and (Continued on Page 19, Col. 6)

### Longer Hours Begin At GC Post Office

Granite City post office hours were changed to 8 a.m. to 6 p.m. effective today, due to the expected Christmas mail volume.

Postmaster W. T. Overbeck announced.

The special hours will continue all this week, including 8 to 6 on Saturday, Dec. 17, and will end on Wednesday, Dec. 21.

After 8:30 a.m. to 5 p.m. hours will be followed, the postmaster explained.

### Over 400 Basket Requests

"Tree of Lights" asks for Christmas touch to the local scene, that is not the primary function of the 20-foot fir.

Likewise, a holiday familiar to the Salvation Army bellringers, tingling their appeals for coins for their midtown kettles.

There are but two of the midtown kettles in the Quad-Cities.

Applications for these baskets are at a new high, and it is anticipated that all of the serving families are to get one, something like 400 will have to be distributed.

Christmas baskets went to brighten the Yuletide of hundreds of Quad-City.

### \$4500 Goal

The "Tree of Lights" on the postoffice triangle at Niedringhaus avenue and 20th street glows brighter with each \$25 cash donation to the Salvation Army. It is strung with 180 lights, each one representing \$25 of the Army's goal of \$4500.

Atty. Randall Robertson said today that "Tree of Lights" donations and subscriptions, includ-

## Port Grain Elevator Plans Being Prepared

### 7-Million Bushel Unit To Be 1st Development; Bidding In February

Within three hours after announcing its plans for a \$24-to-\$30-million dollar port last Thursday, officials of the Tri-City Regional Port Authority conferred here with 30 construction firm representatives to prepare for building a seven-million bushel grain elevator.

Port Authority Chairman Carl Ranft said the initial plans and specifications should be ready early next month and that construction bids would be sought immediately.

Ranft and Cdr. John L. Barak, port manager, met with contractors, engineers and architects from Chicago, Kansas City and St. Louis, all experts in the field of grain elevator construction, and outlined the needs of the Port Authority.

### Shipping Capacity

The Port Authority has announced that the present major facility at the port, based on firm commitments or leases in negotiation stages, consists primarily of a major grain elevator with a capacity of receiving 10 inbound rail cars of grain an hour for grain processing and shipment by barge.

Also planned is a major grain truck dump for receiving and dumping grain direct from trucks to barges in the canal at the rate of two trucks a minute.

These facilities are in addition to two truck-automobile dumps at the site of the grain elevator.

The grain handling system at the elevator is to have a capacity of receiving and shipping 100,000 bushels an hour.

Postmaster Harry Johnson of the Madison post office, says the 1959 figure of 32,256 is far higher than the 1954 amount of 18,254.

The Madison post office, however, does not include Sunday mail, which is sent to the Granite City office.

Two days were not included in the 1960 figure. Eight carriers and one vehicle will be added, Johnson said.

In Venice, no comparison was available. Postmaster Charles Simmons expects a normal year, with no increases. The Venice count for six days is 3349.

All three postmasters said the Christmas drive to complete all deliveries through Christmas day to complete all deliveries.

The Granite City post office in the two-week period before Christmas will be open all day Saturday, Dec. 17, and will be open all day Saturday, Dec. 18.

The Madison post office will be open all day Saturday, Dec. 17, and will be open all day Saturday, Dec. 18.

Hours For Kettles  
Capt. Mildred Walker of the Salvation Army said that volunteer workers will man the coin kettles from 10 a.m. to 8:30 p.m. every day, except Sunday and Monday, up to Dec. 23.

This is but one of the mediums, and a well-known one, through which the raise Christmas baskets money.

Explained today, "Contributions this year haven't been as brisk as we had hoped, with the advent of Christmas day, coins being in more rapidly, we feel sure."

This is not all in the way of water being put forth in the interests of filling the Christmas baskets.

Eagles of Aerie 1126 have taken on the task of supplying the canned foodstuffs to go into the baskets. Their collection depot is being filled up "nicely," a spokesman said.

As to the ready estimate of the number of cans to date is available, the chairman urged that those who want to make sure of a merry Christmas for all to act now to send their donations to the "Tree of Lights" fund.

All contributions of \$25 or more are recorded on the bulletin board flanking the lighted tree.

The auto from which John Carl Leonard, 15, Granite City, was thrown is shown as being moved from the sidewalk on the eastern side of the pavement. The youth was thrown onto the sidewalk by the impact of the head-on collision.

## Yule Mail Count Far Below Last Year's Figure

Tri-Cities post offices for the Dec. 1 to Dec. 11 period are below last year's figures in all cancellations, but the slack is expected to be overcome with a deluge of Christmas mail beginning Friday, the postmasters said today.

Additional carriers and vehicles will be pressed into service on Friday to speed delivery.

Postmasters are urging that all mail recipients at homes have names on them to permit new carriers to make proper and fast delivery.

No record breaking amount of mail is expected, but postal officials predict it will parallel last year's total.

To date the Granite City post office has far below its 1959 figure of 373,555 in the first eleven days of the year. The 1960 amount is 325,317.

Between 50 and 75 temporary employees will be hired and seven additional vehicles have been requested, according to Arthur L. McCall, superintendent of the mails.

## GC Student Dies In Crash On Highway

### 4 Injured In Head-On Mishap; 5-Car Wreck On Another Overpass

Ice formed on streets and highways at 4 p.m. yesterday as the temperature dropped to low freezing, leading to several traffic accidents, including a head-on crash fatal to a 15-year-old Granite City student.

The victim—19th of the year in this area—was John Carl Leonard, 1548 Highway 162, who was thrown out of a northbound auto at 4:30 p.m. Sunday in a crash at the top of the Route 111 overpass immediately north of Route 162.

The victim—19th of the year in this area—was John Carl Leonard, 1548 Highway 162, who was thrown out of a northbound auto at 4:30 p.m. Sunday in a crash at the top of the Route 111 overpass immediately north of Route 162.

Shed had fallen intermittently during the week, and a heavy snow had fallen on the pavement to form thin patches of ice. The victim's vehicle was made colder by the air underneath.

All occupants escaped injury in a five-car chain-reaction mishap on the McCabridge avenue viaduct, but there were four injuries as well as the fatality in the Route 111 collision.

State troopers attributed the accident to ice on the highway viaduct, which crossed railroad tracks. They said the boy's stepsister, Cleitha Milan, also of Granite City, was injured.

Relief assistance increased sharply in Granite City township during November with the addition of 16 cases involving 33 persons, while 13 cases with 33 persons were closed, according to a report prepared at the office of Township Supervisor Leonard Oran.

November relief costs total \$3469 for a total of 50 cases involving 196 persons. In October, relief costs were \$4869 for 47 cases with 156 persons.

Relief costs for fiscal year 1960 began last March 1 now total \$30,214 as compared to \$28,372 for the same period in 1959. In November 1959 there were 46 cases with 149 persons.

### Member Pioneer Family, Mrs. Bowman, 82, Dies

Mrs. Catherine Bowman, 82, member of a family who pioneered in the settlement of this area, died early today at the Haven of Rest Home, Alhambra, Ill. She had been there for the past three years.

Mrs. Bowman was the daughter of Mr. and Mrs. Philip Braden. Her father was an early settler in the old Alton road area. Mrs. Bowman, who was born in the Granite City area, had been a resident here for a major portion of her adult life, except for residency in Indiana.

She was a member of the Niederrhingen Memorial Methodist Church.

She is survived by a daughter, Mrs. Mary Kathryn Tush, New Douglas, Ill.; a brother, Joseph Braden, Granite City; a sister, Mrs. Emma Beck, Bellflower, Mo.; two nieces, Mrs. Marvel Clover and Mrs. Vera Dameron, both of Granite City; two grandchildren and two great-grandchildren.

Funeral arrangements may be found in today's obituary column.

### Over 5000 At GC Trust's Parties

With a full-week's schedule of party-giving behind, the Granite City Trust and Savings Bank today tallied up its guest list and arrived at a figure of "in excess of 5000."

Ernest A. Karandjeff, president of the Edison Avenue financial institution, reported today that the turn-outs for the buffet suppers and open-house reception events of last Monday, of Wednesday, Thursday, Saturday and yesterday numbered over 5000 persons.

President Karandjeff said that electrical connections for the bank's new time-temperature clock on the building facade should be completed by tomorrow, and the recording device in operation.

He said that the infrared heat lamps in the marquees over the entryway and the new sidewalk heater's window should be in operation by mid-week. These lights will provide some warmth for outside banking and keep the sidewalk area free of ice and snow.

### GC Steel Prospects For 'Pay Dirt'; New Missouri Diggings

There's ore in them there Pen Ridge region hills, and Granite City steel mill and lead and zinc processors are prospecting for it.

The Granite City Steel Co. has started a separate "claim" where geologists and mining engineers are doing exploratory work.

While a spokesman said it is too early to make any predictions as to the "pay load," he indicated that if the "diggings" prove productive, it would at once be a source of raw material, and materially reduce transportation costs.

An authoritative estimate that newly-discovered iron, lead and other mineral deposits in the southeast Missouri region roughly 75 miles away from the Quad-Cities may yield an annual production valued as high as \$90 million, has been made by John D. Kerr Jr., director of the industrial development department of the Chamber of Commerce of Metropolitan St. Louis.

Kerr's estimate, first overall evaluation of the indicated scope of significant new mining operations, was made Sunday in a special "Pea Ridge" report.

It reflects years of intimate professional familiarity with the report as to the present status of development indicated.

At Pea Ridge, a \$40 million joint venture is underway by St. Joseph Lead Co. and Bethlehem Steel Co. Their new iron ore deposits estimated in excess of 100 million tons are due to be 2 million tons by 1963. Another development is underway at Viburnum.

Leo F. Gulley, vice-president in charge of operations for Granite City Steel Co. today declared the company's iron ore drilling "explorations" are under way at two sites.

At one location, Bourbon, Mo., the Kerr report said that findings have been "exceedingly encouraging," and the iron ore drilling shows it may match the Pea Ridge results.

At Pea Ridge, in Missouri, about 80 miles southwest of here, the Granite City Steel venture, the report declared, indicates commercial iron and copper ore deposits.

Gulley said this company's explorations were being carried on jointly with the American Zinc, Lead & Smelting Co. He said that mining operations, if indicated to be feasible and sufficiently productive, won't get under way prior to 1963.

Gulley added he was not now prepared to give any estimate as to the final results of the geological-mining probes, which have been going forward for a considerable period.

He noted that virtually every

major mining and exploration company in the nation is, or has been prospecting in the area for iron, lead, zinc, copper, indicating the probability of productive results.

In the report issued Sunday by the C. of C. of Metropolitan St. Louis, Howard L. Young, president of the American Mining Congress and of American Zinc, Lead & Smelting Co., St. Louis, is quoted as saying:

"There has been more development activity in the southeast Missouri area during the past two years than at any time before in the history of the Mississippi Valley states."

Dr. Thomas R. Beveridge, Missouri State Geologist, Rolla, Mo., last week estimated the combined Pea Ridge and possible ultimate Bourbon iron ore production alone may total a value of \$35 to \$45 million a year.

Kerr's estimate of \$70 to \$90 million compared with Missouri's total mineral production value of \$157,191,000 in 1959 as reported by the U. S. Bureau of Mines.

Marshall McDuffy, president of the Teamsters and Chauffeurs Union Local 525 who ran unopposed, was re-elected by a poll of 1075 votes cast in four separate balloting by the membership last week and Sunday. It was announced today.

McDuffy, who is assistant business representative of the local, lives at Alton.

James Percy Ward, Granite City, was defeated in his bid for re-election as vice-president. He polled 417 votes. Winner, another Granite Cityan, was Lon V. Smith, with 661 votes.

William "Bill" Doty, Jerseyville, secretary-treasurer and business representative of the union, was re-elected by a vote of 788, defeating Art King, Edwardsville. King's vote was 280.

## 2 New Houses Among Month's Building Permits

New construction permits valued at \$61,400 have been issued in Granite City so far this month, according to City Building Inspector Earl Bloomquist and City Clerk A. L. Stevens.

The permits include two for homes worth \$46,400; a \$3600 house trailer to be placed on a vacant lot; five for home improvements totaling \$7850; two commercial projects costing \$8350, and a carport to cost \$500.

Obtaining the permits for new dwellings were two contractors — James Frey for a \$28,500 brick veneer with seven rooms, 1½ bath, fireplace and garage at 23 Oaklawn drive; and Otis Farless, \$17,900 for a brick veneer with five rooms, bath and garage at 3216 Willow avenue.

The house trailer is to be located at 4047 Rode, avenue by Jewel King.

**\$3000 Fire Repairs**  
Fred Fabianer obtained a permit for a \$3000 repair project at his service station display floor which recently was damaged by fire. The station is located at 2800 Nameoki road.

Another service station, E. J. Bros., at East 23rd street and Nameoki road, obtained a permit for a \$350 storage building.

Home improvement permits were issued to the following:  
Roul Bell, \$4000 to repair porches, windows, doors, wiring and plumbing in a four-family flat at 2205-07 Grand avenue; Conrad Nagel, \$2000 to install four bathrooms in a four-family flat

## LaRose To Direct Unit Of Dimes January Fund Drive

Russell La Rose, Granite City reator, has been named industrial division chairman of the 1961 New March of Dimes fund drive to be carried on throughout the Quad-Cities next month.

Appointment was made by Mrs. Roberta Lambert, general chairman, who at the same time named Mrs. Ed Neumann campaign publicity director, Mrs. Keith Parker treasurer.

Drive headquarters will be at the Granite City Trust & Savings bank, Mrs. Lambert said, adding that all contributions sent by mail should be addressed

to the New March of Dimes at 1909 Edison avenue, Granite City.

Purpose of this year's fundraising campaign, Mrs. Lambert explained, is to raise money for patient care of children with major birth defects, infantile paralysis, rheumatoid arthritis, and to finance research into their causes.

Funds are also to be used for professional education scholarships.

The Quad-Cities campaign will be conducted during January, highlighted by a concentrated effort on Jan. 31.

## Christmas Dec. 25?—Jan. 7 For Eastern Orthodox Groups

Western Christians, in the glad celebration of the birth of Christ on Dec. 25, celebrate Christmas, 13 days before the Eastern Orthodox Christmas, which is celebrated on Jan. 7.

Father Voschell, today, went into an elaboration of the colorful observances, the meaning and the history of the eastern Christmas, including the rules of fasting. He said in part:

"Of all the great feast days of our church calendar, that of the Nativity of Christ is celebrated with particular solemnity. For the worthy celebration of it, the faithful prepare by a fast of 40 days, called the Fast of the Nativity (Advent), which lasts from Nov. 15 (Gregorian calendar, Nov. 28), to the 24th of December (Gregorian calendar, Jan. 7) inclusive.

"It is popularly known also as the Fast of the Virgin Mary, because it begins the day after that consecrated to the memory of the Assorted Philip. The Christmas Canon sung 'Especially at matins service, canticles from the Christmas Canon are sung; the two last Sundays before the Nativity are sacred to the memory of all Old Testament saints, who were saved by the faith in the coming Savior.

"The vigil of this feast is observed by keeping a strict fast. The church prescribes that on this day boiled wheat (the only food used) be boiled with raisins and honey (kutya), irrespective of the day of the week.

"As to the services of this vigil, they differ according to the day of the week. If it falls on Monday, Tuesday, Wednesday, Thursday or Friday, the so-called 'Royal Hours' are read, which proclaim the length of life to the church hierarchy and the laity. The vigil then follows, combined with the liturgy of St. Basil the Great.

"Christmas Day itself, the divine liturgy of St. John Chrysostom is celebrated. If the vigil falls on Saturday or on Sunday, the 'Royal Hours' are read on Friday.

"These hours are called 'Royal' because they are read 'royally' on the eve of the most important day of Christ's earthly life—the vigil of the Nativity, the Epiphany and on Good Friday.

**All-Night Vigil**  
The all-night vigil before the Nativity consists of the Great Compline and matins. On the day of the feast, the liturgy is performed by the church hierarchy and the laity. The Sunday following the Nativity is called 'The Sunday of the Divine Fathers,' and is sacred to the memories of the Carpenter Joseph, Mary's betrothed husband; to Kind David and to James, the brother of the Lord. In honor of the great festival, feasting is dispensed with on the Wednesday and Friday before the vigil of the Epiphany, and these two weeks are called 'broken.' The two Madison parishes of eastern orthodox are now making plans for the celebration of the Nativity, and the holidays will be ornately and lavishly embellished and celebrated in the houses of worship.

**Collide During Turn**  
The front of a two-way collision at 2:35 p.m. Saturday, John W. DuBoise, 30, of 2028 Washington avenue was driving south on Edwardsville road and the northbound car of Paul William, 28, of 38 Marlin drive, Mitchell, was making a left turn onto Nameoki road.

**Traffic Light Charge**  
Vincent J. Aash, 2808 Madison avenue, was charged at 8:35 p.m. Saturday with running a red light signal at 20th street and Madison avenue. He was released on his driver's license until a hearing.

## Madison Mrs. Lenna Williams 1638 Sixth Street

CHRISTMAS MEETING

The Christmas meeting of the Women's Society of Christian Service and the Madison Service Guild of the First Methodist Church was held jointly at the home of Mrs. Lenna Williams, 1638 Sixth Street, last night.

Organizations meet semi-annually at which time one is the hostess of the program and the other gives the program for the event.

The Women's Society was in charge of the program and the meeting was opened with prayer by Mrs. Estelle McBride. The group sang several Christmas carols, with Mrs. Claude Echols at the organ. A playlet was put on by Mrs. Betty Ballentine, Mrs. Wealey Clemens, Mrs. David Richardson, Mrs. Robert Graves, Mrs. Mayme Jones, Mrs. Nova Sanders and Rev. Russell Oden. The topic was in keeping with the season, "It Is His Birthday."

At the conclusion of the program, the ladies moved into the guild room of the church, and held a social gathering with an exchange of Christmas gifts. The room was decorated for Christmas the same as the ladies' room.

Members serving on the decoration and refreshment committees included Mrs. Dennis Reville, Mrs. Harry Johnson, Mrs. Ruth Roberts, Mrs. Henry Connelo, Mrs. Elva Smith, Mrs. M. C. Fields, Mrs. Elsie Stuart, Mrs. Edna Austin, Mrs. Woodring, Mrs. Earl Robertson, Mrs. Lyman Vandemark and those in the program. The meetings will be held separately starting in January. The Guild meeting will be held Jan. 5 in the home of Mrs. Oden.

THURSDAY CLUB PARTY

A Christmas party was held Thursday afternoon in the home of Mrs. Gladys Zentgraf, 1627 Second street, with Mrs. Emma Graves as hostess, for members of the Thursday Afternoon Neighborhood club.

A gift exchange was held among the members during the social gathering, at which time games were played and each member was awarded a prize plus the gift exchange. Refreshments were served by the hostess at a table decorated for Christmas to Mrs. Margaret Lee, Mrs. Jackie Frizzell, Mrs. Ann Riceout, Mrs. Mary Brudick, Mrs. Zentgraf, Mrs. Virginia Ditch and two guests, Mrs. Dollie McFarland and Mrs. Anna Zentgraf.

The next meeting will be held in the home of Mrs. Frizzell, 1635 Second street.

MASONIC LUNCHEON

A business meeting, luncheon and Christmas exchange were held Saturday at the Masonic Temple in O'Fallon. Those attending from Madison and Granite City were Mrs. Weiss, matron of the New Hope Chapter; Mrs. Max Merz, conductress of New Hope; the associate conductress of New Hope, Mrs. Estelle McBride; the matron of the Granite City chapter, Mrs. Florence Spohn; Mrs. Hulda Griffith, conductress of the Granite chapter; and Mrs. Dorothy Fitzpatrick, associate conductress of Granite chapter.

Officers from 21 districts were present at the Order of Eastern Star meeting, at which time Mrs. Estelle McBride was elected secretary of the Emma Ansley club of the East St. Louis district. The meetings are held monthly at the Broadview hotel in East St. Louis.

Arrested After Mishap

Madison police charged Annew Arney, 33, of 719 Twenty-eighth street, with having no driver's license at 12:45 a.m. Sunday after the right front fender of his northbound car collided at 10th street and Madison avenue with the front of the westbound auto of Bernard C. Demmon, 34, of 1026 Madison avenue, who was turning left onto Madison avenue. It was raining at the time.

Fire Causes \$700 Damage To Trailer

Fire caused an estimated \$700 damage at the three-room house trailer of Ronald Dower, 2344 Paul avenue, at 4:52 a.m. Saturday, firemen reported. There was \$400 damage to the trailer and \$300 to the contents.

The blaze was attributed to an overheated oil furnace enclosed in a room of the trailer. Firemen also were called to the residence of Kirby Settles, 2924 Dale avenue, at 9:45 a.m. Saturday to check a fire which broke out in the motor of a gas furnace. The blaze was confined to the motor and caused an estimated \$30 damage.

Collide After Skid

Sliding on wet pavement while it was raining at 8:15 p.m. Saturday, the northbound auto of George P. Pitonak, 46, of 1940 State street collided with a car driven by Fred E. Cockerell, 46, of 157 Voigt place, Mitchell, who was going west on Edwardsville road and turning south onto Madison avenue. There was damage to the front of the Pitonak car and the front of the other vehicle.

Awning Damaged By Fire

Fire reported at 8:05 p.m. Saturday caused \$20 damage to an awning of the Strauss Men's and Boys' Store, 1331 Nineteenth street. Firemen said it probably resulted from a cigarette accidentally tipped onto the awning.

## Population Gain Will Enable More Granite City Streets To Be Improved

With an official 40,073 population — up 17,099 in 20 years, 10,608 in the past decade and 5884 since the most recent count in 1955 — Granite City is on the march and with it the Quad-City area and the entire Illinois Metropolitan Area.

Along with the population gain, last week's headlines included "Tri-City Port Plans \$24.8 Million Projects," "New Home Building Increases," "Million Dollar Shopping Center Slated" and "Helicopter Service For Area In Two Weeks."

Another news article, dealing with a delay in widening and resurfacing of 20th street, brings to mind one of the advantages of the larger population. The amount of state motor fuel tax funds available to the city should rise substantially due to the gain in inhabitants, affording more money for street paving and improvements.

Both adequate drainage and good streets are among the essentials for a growing community. The present accumulation and scheduled increase in gasoline tax funds should enable extensive street improvements to be carried out after installation of sewer lines currently being planned under the master drainage program.

## Senate Still May Not Be Surest Path To Presidency

"Eclipse of the state house" has been discussed widely since the major parties nominated two senators and two former senators at their conventions this year. With the international and national problems being given greater study than in the past, senators' views and actions are publicized prominently. They often are accorded nationwide forums, whereas a governor discussing state issues is heard usually only in his own state.

This century's presidents have included five governors, and the Democrats' nominee of the 1950s advanced from our own executive mansion at Springfield, Ill. But it is being contended that state training no longer can prepare a man to take over the presidency — an increasingly demanding job with numerous technical questions to be considered. Also, with states encountering fiscal problems due to rising governmental costs, administrators' abilities can be cast in doubt and many potential national candidates "killed off."

However, the give-and-take of the senate, the competing programs and ambitions and the constant necessity to take a stand on controversial issues hint that only a large degree of skill and luck can enable anyone to successfully follow this road to the Pennsylvania avenue address.

In support of this conclusion, it can be noted that the leading 1964 Republican contenders might well be two governors, while the next Democratic candidate seems certain to be the new occupant of the White House — historically a much better place than the senate for waging a presidential campaign.

Excuses rarely fool people, despite the notion to the contrary.

## One of The Joys of Christmas — Not The Gift Alone, But Giving

Christmas is a time for giving, and the season for holiday shopping is well underway, as attested by crowds of harried but happy Quad-Cityans clutching long lists of names and gift ideas.

The task is a joyful one but not always simple. The right choice must be made for, according to an old German proverb, "Many look with one eye at what they give but with seven at what they receive." Advance thought is usually necessary. As Charles Dudley Warner pointed out, "The excellence of a gift lies in its appropriateness rather than in its value."

It was James Russell Lowell who said, "The gift without the giver is bare," and we think this is the key to whether a Christmas present will be appreciated. In the words of Pindar, "Every gift which is given, even though it be small, is in reality great, if it be given with affection."

## River Road Here Will Be Part Of 2500-Mile North-South Route

Although many important links in the "great river road" in Illinois have not yet been built, including the local section scheduled to skirt the western edge of the Quad-Cities, much of the road has become a reality. Marking of a 557-mile road, including permanent and temporary stretches of highway, was finished this year by the Illinois Division of Highways.

Over 1900 signs have been installed to guide tourists as part of Illinois' contribution to a 2500-mile Mississippi River route extending from Minnesota's Itasca State Park to New Orleans. Completion of the route markings climaxes over 25 years of planning.

In general, the Illinois section was designed along existing roads to meet the river road parkway standards, which include scenic views of the Mississippi wherever possible. The routing will not be final until some new roads are built and interstate highways and connecting state roads are completed. The Illinois Mississippi Scenic Parkway Commission has aided in the planning, with efforts made to have the roadway pass dozens of memorials, state parks and historical sites along the east bank of the river.

Along with helping to carry an important north-south route through this state, the section that will connect the Quad-Cities with the Alton area and St. Clair county will be of value to local motorists in trimming driving time and providing improved safety conditions.

It would be a nice world if everyone behaved like they acted in church.

## Season When Motorists Need Safe Cars, Driving Habits

The calendar says that winter will not arrive until several days before Christmas, but weather forecasters and Quad-City residents know that here during a longer season than that conforming to the winter solstice and vernal equinox.

With icy traveling conditions, it is essential that motorists winterize their cars and their driving, because blaming the weatherman is an inadequate alibi for traffic accidents that can cause injury and property damage.

Suggestions include satisfactory equipment for keeping windshield and windows clear, use of tires with sufficient treads for traction, installation of ure chains when driving on snow and ice, use of engine deceleration and pumping of brakes in stopping, following at a safe distance and determining how slippery streets and roads are before deciding how fast to drive.

Even with the aid of chains, windshield wipers, defrosters and other automotive equipment, extreme caution while driving in a "mud" in order for winter to remain a fun-filled and interesting season.

## 2 Mitchell Men Complete Army Basic Training

Two Mitchell men completed Army basic training at Fort Leonard Wood, Mo., on Thursday.

Pvt. James F. Presley Jr., son of Mr. and Mrs. James E. Presley 620 Barkley avenue, and Pvt. Terry L. Couchner, son of Mrs. Billie D. Howard, 667 Barkley, participated in the eight-week training course. The training consists of fundamentals of self-defense, firing the Army rifle, knowledge of basic military subjects and physical conditioning.

Just a little adversity knocks the ambition of some people.

## MEDICINES NOW ARE MORE HELPFUL

Not so long ago we had very few drugs that could always be depended upon to give positive help. Usually, relief from pain or disease "fort," till the disease subsided, was the expected help.

But, now we have potent medicines, obtained only after a physician's examination and by his prescription, which really offer prompt relief and usually a speedy cure. It is now unnecessary to suffer from any repeated discomforts or pains.

YOUR DOCTOR CAN PHONE US when you need a medicine. A great many people entreat us with their prescriptions. May we compound yours?

### Mrs. Whitworth New Noble Grand For Lodge 477

Officers for 1961 were elected by Junia Rebekah Lodge 477 at a meeting Thursday evening at the IOOF hall.

The staff includes Mrs. Clava Whitworth, noble grand; Mrs. Rebecca Parish, vice grand; Mrs. Edna Nightwine, recording secretary; Mrs. Glynn Hilliard, financial secretary; Mrs. Eleanor Patterson, treasurer; and the following trustees, Mrs. Leta Stocklin, Mrs. Frances Becker, Mrs. Pearl Jones, Mrs. Ann Sternberg and Mrs. June Crumley.

The October, November and December birthdays were celebrated and there was a shower of gifts for Rhonda Lea Schullinger, infant daughter of Mr. and Mrs. Earl Schullinger. Mrs. Schullinger is one of the lodge members.

A Christmas party and gift exchange will be held at the December meeting. Approximately 50 persons were present at Thursday's meeting presided over by Mrs. Leon Spangenberg, noble grand.

### Gracettes Class Plans Caroling Tour By Bus

The Gracettes, a newly-organized Sunday school class of Grace Baptist Church, 2600 Edwards street, met Thursday evening with Miss Joy Fedora, 2916 Grand avenue, for a Christmas party.

Miss Linda Williams, president, was in charge and plans were made for a caroling tour in a chartered bus Dec. 22, when the group will visit the downtown area, the hospital and shut-ins. The trip will be made in a chartered bus.

Devotions were led by the teacher, Mrs. Helen Miracle. The topic was "Our Gift To Christ." The group exchanged Christmas gifts and the meeting closed with the singing of traditional carols, accompanied at the piano by the hostess, who later served refreshments.

Prizes in the games were won by Miss Williams, Mrs. Miracle and Miss Dorothy Motes. The next meeting of the group will be held Jan. 5. Miss Fedora is secretary-treasurer of the class.

### Bay View Club Hears Talk On 3 Early Presidents

A talk on three of the early American presidents, Madison, Monroe and Adams, by Mrs. R. E. Chapman, highlighted the program of Thursday's Bay View Reading Club in the home of Mrs. J. C. Byers, 2265 Edison avenue.

Mrs. Arthur Roman presided and welcomed a new member, Mrs. Robert O'Brian, following the usual dessert luncheon.

A letter from Mrs. H. P. Reuss, one of the members who is now in Istanbul, Turkey, was read, and the club's report was given by Mrs. Harry Faulkner. The members plan to meet again Dec. 22 in the home of Mrs. Russell Johnson for a Christmas party. Mrs. J. J. Braden will be in charge of the program and special music is being arranged by the music committee.

### Women's Bible Class Meets

The Women's Bible class of Niedringhaus Memorial Methodist Church met Thursday afternoon in the all-purpose room of the church.

The meeting was called to order by Mrs. Ethel Roulard after a covered dish luncheon at noon and devotions were led by Mrs. Clara Dawdy, who also gave the Christmas lesson "Are You Ready For Christmas?"

Mrs. Eva Evans read the story, "America's Christmas Child," taken from a church publication, and Mrs. John Tate led the group in carol singing. Twenty were present at the meeting, including the teacher, Mrs. E. E. Camp, who has been ill.

## Sacred Heart Wins Decatur Tournament

Sacred Heart parochial school squeaked through a quarter-final round game Saturday afternoon and moved past two more opponents with ease to win the championship of the St. James Decatur parochial basketball tournament Sunday.

The other local entry, St. Mary's of Madison, was eliminated in the quarter-final round by St. Thomas of Decatur, which finished second in the tournament. Holy Trinity of Bloomington was third, and the host St. James team fourth.

Sacred Heart, playing what Coach Frank Butsch called "our poorest game of the season," squeaked past St. Peter and Paul of Springfield in the Saturday second round, 22-19.

The score was knotted at 13-all at halftime. Bill Moran led the winners with 11 points. In the semi-final game Sunday afternoon, the Hearts moved easily past St. James 41-23 after building a comfortable 24-9 half-time lead. Moran dumped in 15 points in this contest, and Joe Hauptman and Larry Klobe nine each.

Promised a day off by school administrators (which they are enjoying today), if victorious in the championship game, the Sacred Heart cagers had almost a little difficulty as in the semi-finals when they overpowered St. Thomas of Decatur in the finals, 42-26.

Again, Bill Moran led the Granite City team in scoring with 13 points. Hauptman and Klobe were close behind with nine and eight points. The Hearts had opened up a 27-5 lead by halftime.

Riding the crest of a six-game winning streak and possessing a 9-2 season record, Sacred Heart next hosts St. Boniface of Edwardsville on Friday.

## Optimists, Chiefs, Vesci Undefeated In Jr. Teen Play

The Y-Optimist Boys, Chiefs and Vesci Service Station remained the only undefeated teams in the Granite City park district's Junior Teenage basketball league at the conclusion of the second round of play Saturday at the park district community center.

The Optimists topped a young Sacred Heart JV squad 36-12, with Larry Anderson hitting 11 points for the winners.

Chiefs ramblated past the Indians 30-22, with Ronnie Hall scoring nine for the winners and George Dickerson nine for the losers.

Vesci's lead was led to overtime to defeat, the Braves 50-42. Terry Tessary rimmed in 15 points for the winners of that game, and teammate Ray Talley led the Braves, who were outscored in the overtime period, 10-0.

Community Heights won its first game in two tries, pounding St. Joseph's 40-35 at Craig Creek turned in the highest point total of the day with 17 markers for the winners.

St. Bartholomew's also evened things up, winning 29-20 in a decision over Wolfe Construction. Barry Sykes led the way with 14 points.

## Smith, GC Steel Cagers Industrial League Winners

Placed by Howard Silas' 36-point effort, O. O. Smith Corp. topped Granite City Trust and Savings Bank 73-69 yesterday afternoon on the YMCA floor in the opening round of the Industrial Basketball league.

Granite City Steel was the lone player scoring in double figures, had little trouble in pressing to a 40-35 lead at halftime.

Silas bucketed 11 field goals and 14 of 19 free throws, including five of six fourth-quarter charity tosses. Pete Robinson and Jim Bain both scored 17 points for Trust Bank. Fouls totaled 45 in the game.

John Draper paced the Steel Co. to its easy win. He scored 25 points, and most scoring balance was provided by Jerry Wintgen with 18, Bernie Crocker 17 and Beau McCaskill 14. The losers did not have a player in double figures. Again, 45 fouls were called.

## Trgovich Wins For SIU Grappling Team

Mike Trgovich, Granite City high school graduate who is a member of the Southern Illinois University varsity wrestling squad, won his first match of the season Saturday 7-2, as the Salukis overpowered a conference foe, Central Michigan, 30-8 at Carbondale.

The defending conference grappling champions will travel to Miami, O., Thursday for a non-conference meet with Miami University.

## Wins Four Trophies

Carol Ann Biggs, 10 daughter of Mrs. Pat Biggs, 2564 Center street, won second place twirling trophy and third place trophy in flag twirling at St. Ann's Mo., on Saturday and won first place trophy in twirling and first place trophy in flag twirling at a Sunday contest in Peoria.

## Rams Grab 1st Win, 66-52; Down Cairo Sumner With Fourth-Quarter Explosion

Lincoln of Venice's blistering barrage in the final four minutes of the fourth quarter Friday night put down Sumner of Cairo 66-52 as Coach Stan Lynch's Rams shook off the shackles of a three-game losing streak.

The two teams had been neck and neck throughout the contest when Lincoln suddenly caught fire and began its scoring rampage.

The charge was led by Thomas Hall, Charles Hatter and Henry Rice.

Hall, who had paced his team with 31 points and captured 19 of his team's 31 rebounds, flipped in three straight buckets.

With the aid of Hatter and Rice, Lincoln moved to a quick 12-point lead. It all happened in the space of two and one-half minutes.

The Rams held onto their wide margin in playing "the best game of the year," as described by Coach Lynch.

"This was a coach's dream," said Lynch. "The boys did everything right. Their defense was sound, their shooting was good and they never lost their pulse."

Lincoln shot 35%, dumping in 29 of 59 attempts. The Rams made eight out of 13 free throws. Sumner hit a torrid 45% with 21 baskets in 48 and made 10 of 12 free throws.

Overcome Lack Of Height. Although Sumner had a slight height advantage, it got less shots than Lincoln and grabbed off three less rebounds.

"A deciding factor in the game was our surprising play of Thomas Hall," Lynch said. "Hall was not expected to be the sharpshooter he is turning into."

Lynch had been counting heavily on his ace, Robert Chavis, but Chavis was sidelined in the second game of the season with a leg injury, and is expected to return to action in two weeks.

"Hall has really picked up the slack," Lynch said. "The team is now coming into its own."

In addition to Hall's 31, Charles Hatter had 14 points, Henry Rice 13, Earl Crawford and Eugene Cox three each and John Marchbanks two.

Lincoln's next game will be with Sumner of St. Louis at Hadley Tech gymnasium tomorrow night. The Rams will meet Peoria on the home court Friday.

## Twirlers Capture Trophies In Missouri

Local youngsters capturing trophies in a Class A contest at St. Ann, Mo., Saturday included Twirlers, Debbie Presley, Barbara Kaman, Sheri Hacker, Linda Ohms, Carol Ann Biggs, Marilyn Weckman, Beverly Ann Rutledge, Joyce Daniels and Phillis Daniels.

The competition was sanctioned by the National Baton Twirling Association.

## Schlitz Drops Two But Holds Third Place In SIBPA

Bowland-Schlitz managed to hang onto third place in the Southern Illinois Bowling Proprietors Association Classic league by a half game Saturday night, despite losing a 2-1 margin to Rusty's of Wood River, at the Shop City Bowl in East St. Louis.

One-two runners Alton Falstaff and Revere Room of Collinsville marked time, each winning two games. The Falstaffs topped Ripley Pins of O'Fallon and Revere took the odd game from Leman's Bowlers Shop of East St. Louis.

The fourth match went to the Carling Stages of Belleville, who shut out Pepsi-Cola of East Alton.

Schlitz had trouble on the Shop City lanes, with no member of the five-man squad able to turn in a 600-plus series. Max Lehots's 218 in the final round was the best game the locals could manage.

The Falstaffs rolled 1182 and 3181 to take team game and series honors, thanks to George Kinshofer in turning into a 688 series. Schlitz rolls against Rusty's next Saturday at the Touchette lanes in Centerville.

The individual Schlitz totals: Jim Vrenick 588, Wilbur Smith 573, Nick Lombardi 574, Max Lehots 552 and Ray Hoffman 518.

## Roxana Pins Loss On Prather Cagers

Prather Junior high school came back strong in the second half of an 8th grade basketball encounter with Roxana Friday, but the rally fell short as the local team was defeated 38-21. Prather had trailed 15-5 at halftime.

"It was the best game the team has played so far," said Coach Whitely Hemphill, whose charges are in their fourth year. Don Lupardus had eight points for Prather and Bob Martinez six.

The seventh graders were beaten in a preliminary contest on Roxana, 26-18. They trailed 10-4 at intermission, traveled the 7th and 8th grade squads and Coolidge tomorrow at 4 p.m.

One-two runners Alton Falstaff and Revere Room of Collinsville marked time, each winning two games. The Falstaffs topped Ripley Pins of O'Fallon and Revere took the odd game from Leman's Bowlers Shop of East St. Louis.

The fourth match went to the Carling Stages of Belleville, who shut out Pepsi-Cola of East Alton.

Schlitz had trouble on the Shop City lanes, with no member of the five-man squad able to turn in a 600-plus series. Max Lehots's 218 in the final round was the best game the locals could manage.

The Falstaffs rolled 1182 and 3181 to take team game and series honors, thanks to George Kinshofer in turning into a 688 series. Schlitz rolls against Rusty's next Saturday at the Touchette lanes in Centerville.

The individual Schlitz totals: Jim Vrenick 588, Wilbur Smith 573, Nick Lombardi 574, Max Lehots 552 and Ray Hoffman 518.

## Fire Chiefs List Safety Precautions for Holidays

With families already beginning to set up Christmas trees in homes throughout the Quad-Cities, chiefs of local fire departments today issued additional safety suggestions in an attempt to aid in prevention of tragedies which so often mar this festive time of the year.

A great potential fire hazard, the Christmas tree should be selected with care and caution and erected and maintained with the same concern.

"Play safe by choosing a small tree," the chiefs suggested. "Keep it out of doors until it is ready to be put up. When it is erected, it should stand in a tub of water to moisten the trunk. The base should be cut slantwise to open the pores in the trunk.

"Be extremely cautious of fireproofing chemicals. In some cases, the chiefs say, they are ineffective.

"Avoid placing the tree in hot spots in the room—the TV set, stove, radiator or electric bulb.

"Never use untreated paper ornaments or untreated cotton batting or gauze. You can treat these materials by dipping them in a gallon of water mixed with nine ounces of Borax and four ounces of boracic acid.

"Use only electric lights, never candles, and make sure the wires are in good condition and bear the UL mark of the Underwriters' Laboratories, Inc., which shows they have been tested for safety. Frayed electric cords are a direct fire hazard.

"The tree light switches and outlets should be placed as far away from the tree as possible. Electric trains should not be allowed to run around the base of the tree.

"Do not permit house decorations to be near places where people smoke. It is preferable to have them near the ceiling. Keep plenty of ash trays handy.

"Curtains and flammable materials should be at least six inches from electric window lights.

"Use non-flammable decorations of glass or metal and 'fire-proof' snow in decorating Christmas trees.

"After opening Christmas presents, all gift wrapping and packaging materials should be removed from the living room and disposed of."

### MORE TELEPHONES

Judging by the net increase in the number of telephone lines and telephone lines during the past year, the Quad-City Area is indeed a fast growing community.

We now have 16,129 telephone lines and 21,776 telephones in service in the Quad-City exchange. This represents an increase of 759 telephone lines and 1,420 telephones during the past year. Since World War II, the number of telephones in this exchange has increased by more than 150%.

Growth such as this is a healthy sign for our community.

### PROMISE A PRINCESS FOR CHRISTMAS

Well, it's that time of year again when the men of the Quad-Cities tackle the problem of selecting something for Christmas for the "lady-of-the-house." Some men never seem to know what to choose. So they end up with some unimaginative item—a compromise between something she doesn't really want and something she doesn't really dislike. (Ever happen to you?)

In any case, here's good news for Christmas shoppers. A Christmas surprise she'll use and treasure all year long... the new, streamlined Princess phone.

It's little, the ladies love it and it lights. The dial glows more softly than a light on your Christmas tree, and when you lift the receiver, it shines brightly for easy dialing. It has a smart new oval shape, too.

So, why not "promise her" a Princess phone for Christmas? If you want to surprise her, we have a Christmas tree-shaped gift certificate to hang on the tree. It unfolds to show her the colors in which the Princess phone is available: white, pink, turquoise, blue and beige. After Christmas, we'll install the Princess phone in the color and place she likes best.

Like to order a Princess phone for your "best girl?" Just call the telephone business office.

### HOLIDAY GREETINGS

I'd like to take this opportunity, on behalf of all of us at the telephone company, to extend our very best wishes to you and all the members of your family for this holiday season. Have a "Merry Christmas" and a "Happy New Year."

Call by number. It's twice as fast.

### Dr. Joost of SIU Staff To Lecture In India

Dr. Nicholas T. Joost, head of the Humanities Division at Southern Illinois University, has been granted a Fulbright lectureship. Word received from the State Department advised the SIU professor that he has been selected to begin July 1, 1961.

This award was made possible under provisions of the Fulbright Act, Public Law 554, 19th Congress. Candidates are selected by the Board of Foreign Scholarships, members of which are appointed by the President. Funds used for carrying out the program are certain foreign currencies or credits owed to or owned by the Treasury of the United States.

Prof. Joost is the third member of the Humanities Division to receive a Fulbright within the past year. Dr. Marion Taylor, assistant professor of English, is presently on leave to the University of Jammu and Kashmir, Srinagar. Dr. Robert Saitz, assistant professor of English, is at the National University of Bogota, Colombia, South America.

Joost joined the SIU staff in September 1953. Prior to that he had served as instructor at the University of Miami, the University of North Carolina and Northwestern University, as an assistant professor at Loyola University (Chicago) and as an associate professor at Assumption College (Mass.). He is a former assistant editor of POETRY magazine and editor of the BULLY magazine.

"After opening Christmas presents, all gift wrapping and packaging materials should be removed from the living room and disposed of."

Be a leader — don't follow in the footsteps of your competitor.

## Candy, Fruit Ordered For Treats In Madison, Venice

First deliveries of items to be included in Madison and Venice police Christmas treats are scheduled for this week, with packing and distribution following next week.

Candy, caramel popcorn, animal-shaped cookies, apples and oranges will be brought to the Madison recreation center, and assembling of 4200 treats by Madison organizers is scheduled to begin next Monday, Dec. 19, being completed that day or the following day.

First Madison distribution will be on Wednesday, Dec. 21, when police will bring the treats to St. Mary's school at 9 a. m., Louis Baer at 10 a. m., Harris school at 11 a. m., and the Madison junior high school at 1 p. m.

### Appearance By Santa

That afternoon, from 1 to 2, pre-school youngsters may visit Santa and receive treats at the recreation center. Later the same afternoon, police will distribute treats to homes of children north of the 1200 block who live in the city of Madison but outside the Madison school district.

At the West Madison recreation center, small children will be given treats between 2 and 5 p. m. Wednesday, Dec. 21. Distribution is planned for 3 p. m. to 5 p. m. that day at the Harrison recreation center in Eagle Park Acres.

Treats remaining after the children are served will be given to the needy. Police Chief Barney Fraundorf explained, "part of the treat program Christmas treats have been erected at the Madison city hall and the Madison and West Madison recreation centers."

Venice Police Chief Robert Trotter reports that the Venice holiday treats will be packaged on Wednesday evening, Dec. 21, at the fire hall in the city hall. Persons wishing to assist will be welcomed.

### Venice Locations

Distribution points will be the New Salem Baptist Church on Bremen avenue, Kerr Island, at 9 a. m. Friday, Dec. 23; the Manno store building at 1001 Logan street, at Calhoun and Selb streets, both at 10 a. m. that day; and the Venice city hall at 1 p. m. the same day, Dec. 23.

For the 10 a. m. presentation, those residing between Mercedia and Weaver streets will visit the Manno store and children living east of Mercedia street will report to Calhoun and Selb. Last year, over 3400 holiday

## Madison Display Judging Dec. 21

Judging of Madison home Christmas displays by a judging staff representing the Madison Rotary club has been set for Wednesday evening, Dec. 21. The club is to present five identical \$20 awards for the best decorations rated as best. Anthony Zedek, contest chairman, has announced. No application blanks are necessary since all homes in the area are viewed.

Madisonians preparing light displays for their homes and lawns should have them lighted on the night of Dec. 21, Zedek said. It is planned to complete the inspection that evening, with the winners announced the following day.

## Christmas Pageant At St. John Lutheran Church

St. John Lutheran Church, St. Clair and Dale avenues, will present its second Advent Christmas pageant Wednesday, Dec. 14, at 7:30 p.m. It will take place during the course of the mid-week Advent worship services.

The director-producer, O. T. Potter, will be assisted by the pastor, Rev. Samuel Joda. Members of the Young People's Sunday morning Bible class will be cast in the roles of New Testament characters of the first Christmas. The title of the pageant is "Unto Us A Savior," by Harold H. Trautsch.

Prior to the performance the Senior Choir will sing the anthem "What Child Is This," with Mrs. Mary Cill at the organ.

A new feature in the channel of the church will be a large Herubert Star originating its Advent use in Austria. The pastor will give the sermonette on the topic "A Star Shall Come Forth Out of Jacob." Numbers: 24-17.

## GC Christmas Home Lighting Contest Deadline 9 Days Off

Granite City homeowners have until midnight, Wednesday, Dec. 21, to enter the 1960 Christmas Home Lighting Contest and become eligible for one of the \$200 in cash awards.

Sponsored by the Junior Chamber of Commerce and the Illinois Power Co., the home light-up, dress-up, contest is being renewed for the 10th year. Only homes of owners submitting entry forms will be judged in the holiday contest.

An entry blank is printed in this issue of the Press-Record. Entry forms may likewise be obtained at the office of the Illinois Power Co., Reese Drug Store, Graham's Book Store, Woolworth's variety store, the Tri-City grocery at the Belleme Village shopping center and the A&M Market.

They are to be filled out prior to midnight, Wednesday, Dec. 21, and mailed to the Granite City Junior Chamber of Commerce, Postoffice Box 3, Granite City.

The contest is open to all homeowners of Granite City. A panel of jurors will judge the entries on Dec. 22 and 23, and select and announce the winners.

First prize in this year's event is \$75. There will be a \$50 second-place winner, and \$25 will go to the home ranked third. Additionally, there will be five cash prizes of \$10 each for honorable mention runners-up.

The Jaycees have named a three-member committee, headed by Donald Mega, to conduct the outdoor residential lighting-decorating contest. The Illinois Power Co., to further the light-up, bright up motif, is the donor of the cash prizes.

Today, the Jaycees asked contestants to get in entry forms as early as possible so that a judging schedule can be arranged.

## Optimists Get Preview Of Tonight's Exhibit

Noonday Optimists got a colorful preview of tonight's Christmas gift wrapping-decorating exhibition at their luncheon Thursday at the Elks' club house.

On hand to present the demonstration-talk was Eugene L. Alassi, Granite City public schools art instructor. Under his direction, the 15th annual gift wrapping-decorating exhibition will be staged at 8 tonight at the high school auditorium.

For the 40 service club members Thursday noon, he had samplings of art, artistry and handicraft of art class students, and his own gift-wrapped parcels for Christmas giving.

During this preview, the art instructor said the development of artistic and creative skills is a recognized segment in many fields in industry as well as in science. He noted one of his students is responsible for Christmas window displays at one of St. Louis' major department stores.

Under the new approach to art education, Alassi told Optimists, art classes are favored beginning at the kindergarten level through the fifth grade.

Regarding tonight's demonstration-lecture-exhibit, the art teacher said "Granite City is the only school in the greater St. Louis metropolitan area doing this type of thing," meaning art, an outlet for student talent and providing instructions in the techniques of gift wrapping, and design of centerpieces and other Yule decorative motifs.

On display tonight will be items which would be valued for \$500 in the retail market, Alassi explained.

**Traffic Arrest**  
A charge of failing to observe a stop sign at August and East 23rd streets was placed against Timothy Mancini, 36, of East St. Louis, who was arrested Friday morning by Granite City police. He posted his driver's license as bond.

**Madison Lions Take In \$1500 From Broom Sales**  
The Madison Lions club netted about \$1500 from their broom sales drive last month, a preliminary estimate showed. The actual figure will be available at the meeting next Thursday. The club met last Thursday at the Sportsman club to discuss the sales and conduct other business.

Charles Foley was chairman of the recent project. Money from the project will be put in the general fund, part of which will go to the "Light-house for the Blind," which makes the sweeping devices, and to leader dog training, which school the animals to serve blind persons. The dogs will be presented free to blind persons who cannot afford them.

## Deadline On Reserving Sites At Camp Sunnen

Initial fees to retain campsites for the 1961 season at Camp Sunnen, Point, Mo., are due by Dec. 31 at the Cahokia Mound Boy Scout Council office in Granite City. It was announced today.

Plans call for a six-week camping period to open on Sunday, June 25, and close on August 1.

The latest tabulation shows sites reserved by two troops for the initial week, five units for the second week, three for the third camping period and one each for the fourth and fifth weeks.

Each troop must post \$10 for the reservation. By March 15, scouting units must register or pay the minimum site fee in order to continue holding their sites. The total fee for troops, again amounting to \$16.50 for each camper, will due three weeks before the unit arrives at Camp Sunnen.

Preparations currently are being made to select the staff for operation of the camp in 1961. A staff member must be 16 years old, and boys with Eagle rank are given top priority. Those 15 years old may be considered for trainee status.

"Parent night" programs to encourage participation in the summer camp will be conducted for various troops during the winter and spring by members of the Order of the Arrow, honor camping society.

**Schumacher Announces New CD Appointments**  
New staff appointments for the Granite City Civil Defense organization were announced this week by George W. Schumacher, CD director.

City Judge Fred P. Schuman is city director of economic requirements and control services to determine priorities for allocation of scarce supplies, equipment facilities and manpower.

G. W. Hoelscher was named coordinator of industrial services. He also is chairman of the Civil Defense Advisory Council. William Whitehead was appointed plant protection services coordinator; William J. Lehn, public information officer; and Howard Anderson, chief of motorized equipment for all CD services.

## Santa Attracts Estimated 20,000 In 2 Week Period

If children were allowed to vote, Santa Claus would be elected president by a landslide.

To date, more than 20,000 kids have been seeking Santa's services at his Log Cabin, at 19th and Edison avenue, and as the shopping tempo picks up, a record number of visitors are expected to visit St. Nick this year.

This is the opinion of Alvin T. Barnes, executive secretary of the Associated Retailers and Civic Association, Inc., who estimates about 100 more visitors daily over the same period a year ago.

Beginning today, Santa's new hours started. He will be at the Log Cabin on Mondays, Tuesdays, Wednesdays and Thursdays from 2 p.m. to 8:30 p.m. On Fridays, visitors may call from 10 a.m. to 8:30 p.m. Saturdays, he will receive visitors from 9 a.m. to 5 p.m.

Four of his callers, two boys and two girls, will be named winners of bicycles.

The bikes will be awarded about 8:30 Dec. 21 and will be taken to the winner's homes by Santa Claus, himself.

Free kiddie movies will be held Dec. 21, 22, 23, and will have three showings daily.

On Dec. 21, the feature will be "Boy on a Dolphin," starring Alan Ladd and Sophia Loren. Dec. 22—"Deer Slayer," with Les Barber. Dec. 23—"Gun Fighter," starring Gregory Peck.

Each movie is expected to last three hours, and will be supplemented with a Three Stooges film and a cartoon carnival.

## 14,696 Work Force Due To Rise 745 By Mid-January

Employment at major Quad-City firms is expected to rise by 745 to a 15,441 total by Jan. 15, the local Illinois State Employment Service office announced today.

The Mar. 15 estimate is 15,436.

A \$24 shortage was overcome by \$25 petty cash on hand for miscellaneous office expenses.

**LITTLE JOE HAS COME TO TOWN.**

The 745 gain forecast by the firms by mid-January includes 739 in the manufacturing field, of which 718 is in durable goods manufacturing.

The 718 figure consists of 635 at primary metal industries, 81 at furniture and fixtures manufacturers and two at fabricated metal products firms.

The 21 gain expected in non-durable goods manufacturing includes nine at chemical and allied product firms, eight printing publishing and allied industries, two plastics and two food and kindred products.

Non-manufacturing prospects represent a net gain of six employees, with losses of 17 in contract construction and nine in retail trade and gains of 26 in government employment, three in the finance-insurance-real estate field and three in professional, educational and related services.

The current 14,696 total compares with 15,688 on Sept. 15 and 15,233 in November 1959.

Major factors in the 1002 two-month decline were losses of \$22 in primary metals and 157 in transportation equipment.

The \$37 decrease from November 1960 included losses of 379 in primary metals, 172 in government and 64 in transportation equipment, with widely scattered gains.

**Coolidge Band Yule Program Set For Tomorrow**  
The annual Christmas program of the Coolidge Junior High School band will be presented at 8 p.m. tomorrow at the senior high auditorium.

A variety of selections, in addition to seasonal music, will be featured by the 120-member band, under the direction of Ronald Bodoroff.

No admission will be charged for the public program.

## Excess In Circuit Clerk Office Totals \$3047

An excess of \$3047 was shown in the audited report of outgoing circuit clerk, Eugene Bergboff, for the period ending Nov. 30, an audit by County Auditor John L. Kraynak showed last week.

Copies of the audit were furnished to the new circuit clerk, Willard V. Portell.

Total cash balance for the office was \$89,635, Kraynak reported.

# \*SOCIETY\* Cowin-Hendricks Nuptials Held On Saturday

Mrs. Janie Hendricks, 222  
Granville street, Venice, daughter  
of Mr. and Mrs. Virgil Wall  
of Madison, became the bride of  
Ivan Cowin, son of Mr. and Mrs.  
Covin of Van Buren, Mo., Sat-  
urday afternoon at four o'clock.  
Rev. William Henson officiated  
at the ceremony at the Church  
of God of Prophecy, 1732 Rhodes  
street.

Mrs. Hendricks was given  
in marriage by her father. He es-  
corted her up the aisle as the  
piano played the wedding  
march.

Miss Josephine Wall, sister of  
the bride, served as maid of hon-  
or, while another sister, Miss  
Phyllis Wall, was the brides-  
maid.

Jimmy Wall was best man and  
Virgil Philip Wall groomsmen.  
They are brothers of the bride.  
For her wedding, the bride  
chose a blue satin dress of  
street-length with puff sleeves,  
a low, rounded neckline and a  
full skirt. A short blue veil  
headpiece was worn.

A white Bible covered with  
rosebuds was carried by the  
bride.

The maid of honor and brides-  
maid were gowned alike in gold  
satin sheath dresses with mon-  
ton fur trim. Gold feather bands  
were worn on the headpieces,  
and bouquets of pink carnations  
were carried.

Miss Josephine Wall, the solo-  
ist, sang "I Believe" and "O  
Promise Me," accompanied at the  
piano by Mrs. Helen Auter-  
burn of St. Louis.

The church was decorated with  
white streamers, wedding  
bells and ferns. A reception was  
held at the home on Granville  
street, where the bride and  
groom will reside upon their re-  
turn from a short honeymoon  
trip.

# Warriors Bow To Collinsville, Defeat Jacksonville

## Kahoks Get Revenge Friday 76-60, But GC Bounces Back Against Jacks

Collinsville's Kahoks, as was suspected at this early stage of the prep basketball season, had their much feared Granite City's Warriors here Friday night, and Coach Andy Sullivan's athletes rebounded the following evening to whip Jacksonville in the first home appearance by the Redmen until they host Edwardsville here on Dec. 22.

Vergil Fletcher, a man intent on revenge for the upset handed his squad in the regional finals this spring by Granite City, let his charges run Friday, and they responded with a 76-60 victory which soothed somewhat the ruffled Kahok headless feathers, which hadn't been the same somehow since a cold March evening in Collinsville near the close of the 1939-40 season.

The Warriors, picked as a "come lately" outfit by Sullivan again this winter, regained enough poise in just 24 hours to defeat Jacksonville here Saturday 60-50. The Jacks came to town fresh from a 64-53 win over Rount on Friday night.

Sullivan alternated his lineup Saturday, moving Harry Thurau out to a guard position in place of Max Prusak and starting Bob Hoffer at the vacated forward position. Thurau and Hoffer responded with their best scoring games of the season.

**Sluggish Saturday**  
"But I thought we looked pretty sluggish, and probably couldn't have won a conference game the way we played Saturday," Sullivan commented. For-

against the hosts' full-time, full-court pressing tactics.

The Kahoks, rattled a bit in the second quarter, got straightened out in the dressing room between halves and smoothly opened up a big lead in the late going after the Redmen had played them on nearly even terms in the first half.

Thirty-seven fouls were called in the game, which got rough, as had been expected, in the late minutes. The Kahoks buried 26 free throws, 13 of them in a big, 27-point last quarter.

Granite City missed nine of 25 attempts from the charity stripe, and Sullivan commented after the game: "If we could have hit our free throws and played a steadier game, we would have been right on top of them."

The Warriors had a good quarter, the second, Frank Knight, Jim Simpson and a steadily improving Harry Thurau carried the load as the Warriors outscored Collinsville 15-9 after falling behind 20-12 in the first period.

**Warriors Pull Even**  
Knight hit five straight points in the last two minutes before intermission and Thurau hit a long corner shot to pull Granite City within one point.

After Collinsville converted a free throw, Simpson hit one of his high-bouncing jump shots from the key to tie the game at 27-27.

With 10 seconds left, Kahok Guard Bob Simpson, a clever operator out front, drove the entire length of the court for a pretty layup to put the visitors back in front to stay, 29-27.

The Kahok passing game was much more crisp in the second half of play, and good percent-age shots for Jogie Redmon and Fred Riddle resulted. The pair rimmed 24 points between them in the last two quarters, Collinsville scoring a total of 47.

Floor play by Thurau in the first quarter and Grant Takmajian in the third period was excellent. The two divided 16 points evenly, but Granite City's second guard, Max Prusak, still has not produced the way Sullivan hopes he can.

The fifth regular, he had only three points Friday night, giving him a total of just seven in three games.

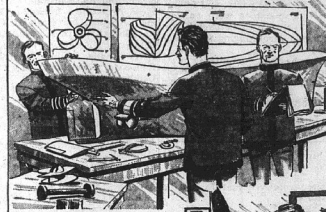

The Kahoks, had their biggest lead with 1:50 remaining when Riddle cashed in for a three-point play, 74-56. The Warriors never stopped hustling, but the Kahoks moved the ball down court without losing it once in the second half against the swarming defense employed by Sullivan.

"A lot of teams are going to press us this year," remarked Collinsville Coach Vergil Fletcher. "Dupo did it earlier, and we were expecting it tonight. It took the boys a little longer to adjust to that type of play by Granite City, but when they did we were okay."

The Warriors Jyvenes dropped their third straight contest in a preliminary to the varsity section, 65-43.

The varsity scoring: Granite City — Knight 21, Simpson 20, Thurau 8, Takmajian 8, Prusak 3, Collinsville — Simpson 20, Riddle 20, Redmon 19, Mottin 11, Basola 2, Meadows 2, Rykirt 2.

## Baptist Basketball Victories To Grace, Madison On Friday

Madison and Grace scored easy wins in Baptist Basketball league games Friday night at the Granite City park district community center. Madison clipped Suburban 71-56 after Grace had outscored Meadow Heights 57-38 in the first game.

Grace outscored its opponent in every quarter and led at halftime 28-19. Don Crane and Ralph Baker were the big guns for the winners with 19 and 18 points. Larry Uhles had 10 for Meadow Heights.

Don Williams crammed through 38 points for the improved Suburban, but it was not enough against Madison. Don Lybarger scored 27 points for the winners and got help from Bill Page with 20.

## Yule Parties In Wholesale For General Steel 'Family'

There's going to be a whole lot of partying done next Saturday night by General Steel Castings Corp. employees and their families.

In fact, three Christmas parties are on Saturday's calendar, two primarily for the kiddies, the third for office employees.

Complete with gaily decorated Yule tree, Santa Claus, "live" entertainment, sweetmeats, nuts and other goodies for the young, the plant's Commonwealth Fellowship Club will hold its holiday party Saturday night at the Granite City high school.

Not only will the kiddies be on hand, but parents also are to share in the partying.

On the same night and following the same pattern, the Commonwealth Brotherhood Club will stage its fun-filled Yule party for the kiddies. There'll be a full panoply of entertainment, and Santa will be on hand with gifts. Place of this party is to be announced.

The corporation's office employees Christmas party, complete with buffet dinner, free exchange of gifts and caroling will be next Saturday night.

Also, the place will be St. Mary's Church hall in Madison. For the three occasions, decorations will provide proper holiday, seasonal settings.

And that's not all the Christmas treats in store for the General Steel Castings "family."

A bounteous Christmas dinner, with turkey as the piece de resistance, will be served on all

three shifts at the plant cafeteria on Thursday, Dec. 22.

All employees will be guests at this feast, for which preparations are made long in advance to provide a Yule menu worthy of the chef's best culinary skills. The cafeteria will be the banquet hall.

ULTRA-MODERN INSTRUCTION in foreign languages has been made possible by installation of a special language laboratory at Granite City high school. John Sellmeyer (left), instructor in Spanish, is shown assisting students in learning operation of the equipment in each booth.

## Laboratory For Teaching of Foreign Languages At GCHS

A new dimension in the teaching of foreign languages was added Thursday at Granite City high school as students began using an ultra-modern language laboratory equipped with 20 individual booths—15 of them "audio-active" and five "audio-active-record."

Operated from controls at each booth and from a master control panel at the teacher's desk, the units are expected to accelerate learning of such foreign languages as Spanish, Russian and German.

All of the booths have machines that play tape recordings, enabling students to hear words in the foreign language as well as seeing them written phonetically in textbooks. This will augment the examples of pronunciation given by the instructors.

A briefing session was held last week for John Sellmeyer, instructor in Spanish; Robert Hilder, teacher of Russian; and Mrs. Susanne Byrd, teacher of the German language.

Then, on Thursday, the students were taken to the newly created laboratory in Room 207 and excitedly began their familiarization with the equipment. Partitions separate each student area, enabling all to concentrate on their study and in some cases to work on different phases than the neighboring students.

### Recording Devices

In addition to the basic equipment at each booth, five of them are equipped with recording and "playback" devices that will enable them to listen to their own voices and determine how closely they are approaching recommended pronunciations.

These combination speaker and recording units are expected to prove of value from several standpoints. Including a possible voluntary series of "conversational" training sessions. However, emphasis will be on the prepared recordings during most of the instruction, in the belief that students should learn primarily "what they should sound like" instead of "what they do sound like."

A schedule for use of the laboratory is not yet complete, but it is expected that language classes will continue to meet part of the time in other classrooms and part of the time in the laboratory. This will enable more to be accommodated than if the same six or seven groups met there every day.

Four-Channel System

Initial use will be confined to one foreign language at any one time, but the room is equipped to handle as many as four languages simultaneously. The four-channel system also could be used for four different parts of the same language at one time.

Earphones carry the sound to each pupil.

Financed partly by the federal government under the National Defense Education Act, the "Fold-A-Booth" equipment was purchased from Electronic Specialties, Inc., at a bid price of \$62,24.

Three portable language laboratories were obtained from the same firm at \$725 each and are expected to be placed in use this week at the Junior high schools.

Eventually, it is hoped to add five more audio-active and another five audio-active-record booths at the high school, providing a total of 30 units there.

### Fire Damages House While Family Away

Fire caused by a defective gas floor furnace occurred at 2:54 p.m. Friday at the home of Mrs. Gladys Thayer, 2608 Jorden avenue. Fire department officials estimated the damage at \$700.

Mrs. Thayer, her two sons and one daughter were not at home when the blaze broke out. Her mother, Mrs. Verla McElroy, who lives in a trailer behind the home, discovered the fire, which broke out in the living room.

Mrs. McElroy summoned firemen. The flames were confined to the immediate area.

The McElroys are owners of the home. Their daughter and her children are living with them until the damage can be repaired.

#### Magistrate Edwards Leaves Fines, Forfeits

Venice Police Magistrate Westby Edwards ordered one man to work out his fine for improper parking and directed ball forfeitures for three others charged with traffic violations during a court session Saturday morning. Additionally, he ordered a \$15 cash bail forfeiture for Lloyd Randolph, Florissant, Mo., who had been charged with disorderly conduct in Venice on Thursday.

Emery E. Taylor, 1022 Douglas street, fined \$5 and costs for improper parking of his car, was given opportunity to raise the money and, if unable, told to report to the city street superintendent this week.

Claude Jenkins, 213 West Second street, West Madison, charged with improper parking of his vehicle last Wednesday near a Venice drug store, forfeited \$10 cash bond. Royal E. Odom, 3009 Marshall avenue, was adjudged guilty of speeding Friday and his \$10 bond was forfeited.

The youth and channel choirs of the Niedringhaus Memorial Methodist Church will present a Christmas cantata, "The Childhood of Christ," by Johann Christoph Bach, on Sunday, Dec. 18 in the church sanctuary at 12:30 p.m.

The cantata will form the major portion of a Yuletide program of sacred music by the combined choirs and soloists under the direction of Warren G. Simpkins and open to the public.

The composer, son of the more widely known Johann Sebastian Bach, was known as "the Buxtehude Bach" after becoming chamber musician to Count Wilhelm of Schaumburg-Lippe at Buxtehude about 30 miles west of Hanover, where he remained for the rest of his life.

Here he met the German philosopher Johann Herder, and together the two produced a number of important cantatas, of which "Die Kindheit Jesu" is a fine example of baroque church music for chorus, soloists, and chamber orchestra or organ.

Soloists appearing during the presentation of the cantata will be Miss Diana Thibault, soprano; Miss Ann Frohardt, alto; Earl Miller, baritone; Mr. Simpkins, tenor; and Keith Curtis, bass.

The evening's program will also include a solo, "I'll Shall Feed His Flock" from the "Messiah" by Handel, by Miss Julia Tempel, senior music student at

Stimpson College; a tenor solo by Robert Arbogast, "Sweet Little Jesus Boy" by MacGimney; "In the Bleak Mid-Winter" by Williams as sung by David West; and "The Virgin's Slumber Song," a soprano solo by Miss Thibault.

In addition, the youth choir will sing "Hasten Swiftly, Hasten Softly" by Kuntz, "Go Tell It on the Mountains," a spiritual arranged by Smith, and "Glory to God in the Highest" by Whitford.

The channel choir will be heard in "From Heaven On High the Angels Come" by Dickinson, "Carol of the Shepherds" by Kuntz and "Blessed Christmas Morn" by O'Connor.

#### Stricken Suddenly, John L. Carter Dies

John L. Carter, 58, of 1801 Third street, Madison, died suddenly at 10:40 a.m. today at St. Elizabeth Hospital.

He was stricken at his home and taken by ambulance to the hospital, where he died shortly after being admitted.

Death was attributed to pneumonia, complicated by an aortic condition.

Mr. Carter had resided here since 1917. He was a 32-year employee at the Granite City Steel Co., where he worked as heater helper and heater in the steelmaking process.

He was a member of Moose Lodge 222, of the Knights of Pythias and the Steelworkers Local. Mr. Carter attended the Methodist church.

He is survived by his wife, Mrs. Irena Carter; two daughters, Mrs. Robert (Doris) Mamefield, Naples, N. Y., and Mrs. Almo (Catherine) Haikkarainen, Madison; three brothers, Pearl Carter, Anderson, Ind., Raymond Carter, Greenfield, Ind., and James Carter, Ferguson, Mo.; a sister, Mrs. Minnie Dabbs, Jerseyville, and seven grandchildren.

Funeral arrangements may be found in today's obituary column.

## Name King, Queen At Venice School Variety Program

Miss Betty Jo Turner, daughter of Mr. and Mrs. J. W. Turner, 129 Abbott street, and Philip Smith, son of Mr. and Mrs. William Smith, 1301 Klein street, were named Mr. and Miss Venetian at a coronation-variety show Thursday at the crowded Venice school gymnasium.

Identity of the king and queen was revealed at 9 p.m. Selections were based on votes by students and school employees who purchased copies of the 1961 Venetian student yearbook.

The king and queen, along with other members of the court, and train bearers, participated in a procession to the stage, set against a backdrop of an outdoor Christmas scene.

The king and queen wore their crowns in the march to the stage. Both are seniors.

Master of ceremonies was Larry Gray, son of Mr. and Mrs. Marion Gray, 122 Grandville street.

Trainbearers were Miss Lee Ann Burgerer, daughter of Mr. and Mrs. William Burgerer, 528 Lincoln avenue, and Miss Christine Rumpf, daughter of Mr. and Mrs. Fred Rumpf, 111 Abbott street, both of whom are in kindergarten.

Miss Turner is a member of the band, chorus and school literary future and is treasurer of the Future Homemakers and secretary of the Book Club. Smith is president of the student council, vice-president of the J. Red Cross, a member of the chorus and a student librarian. He is recipient of the Red Cross Friendship King.

The event was sponsored by the publications class and the senior class.

## GC Police Question

### Burglary Suspects

Granite City police are questioning two suspects in a man and woman—taken into custody yesterday morning in connection with a break-in Dec. 4 and 5.

Chief Raymond Willard and Chief of Detectives James R. Lowder said both are from St. Louis and have been arrested on charges of burglary.

A number of articles of clothing, identified as having been taken at the cleaning shop, have been recovered. Warrants are being prepared by Assistant State's Atty. John Gitcher to be served on the couple today. They were taken into custody at the woman's apartment here.

A safe at the cleaning shop was hauled away and broken open. However, it contained only records.

## Bellringers In Gray Flannels Aid Drive

Businessmen, industrialists, executives and service club leaders joined over the weekend to help fund the Salvation Army's coin collection kettles on 19th street off Edison avenue.

Armed with tinkling bells and in "good voice," men of management, trades, commerce, sales, arts and service took turns in manning the green booth. They made the kettle play a prosperity tune, and no colleague, acquaintance or figure of the Quad-Cities came past them without making a contribution.

All monies collected go to the fund making possible Salvation Army's distribution of Christmas baskets to the wanting, needy and poor.

Ratifiers took over the bellringing tasks Friday night, and throughout Saturday other service club members took up their stands in the mid-town district.

## Yearly Area Traffic Injury Mark of 734 Already Broken

With December injuries not yet included, the 1960 Quad-City area traffic injury toll already has smashed all previous records.

The latest report, covering the first 11 months of this year, lists 741 persons hurt. This compares with a mark of 734 set in all of 1959, when there were 666 injuries, through Nov. 30 and 68 in December.

At the present rate, there is strong possibility that the injury toll will exceed 800. Until last year, the highest one-year injury toll had been 686, reached in 1955.

Crashes Also At Record Rate  
Accounts also are accruing at a record pace this year, although they have not yet surpassed the all-time high.

With 1339 mishaps recorded thus far, last year's listing of 1265 is certain to be topped and the record of 1957, dating back to 1957, also is likely to be exceeded.

Any of the 11 monthly accident totals this year added to 1957, also is likely to be exceeded.

Five Men Scheduled For January Induction Call

Five Quad-City men are scheduled to report for induction on Jan. 26 to the Selective Service Board reported today, and 10 are slated for physical examinations the same day.

Reporting time will be 6:30 a.m. at Edwardsville. The men will be sent to the examination station in St. Louis.

Student In College Play

Marcella McClester, 2332 Edison avenue, a freshman at Elmhurst College, Elmhurst, Ill., is a member of the cast of "The Torch-Bearers," a comedy by George Kelly, which was produced by the Elmhurst College Theatre on Thursday, Friday and Saturday.

Undergoes Surgery

Fred Vankirk, 317 Office Box 101, Granite City, is recovering at St. Elizabeth Hospital from surgery which he underwent Friday.

## GO GO GO FOR LITTLE JOE

and Paul Simon, all have announced support for this plan.

"Dollars Don't Vote"

Told that 40% board representation is closely parallel with the Madison county area, Gray said he believes one ward should be in Madison county, with possibly several having boundaries extending into both counties.

This might be created after an interim period in which the political affiliation of appointees would be determined, he explained.

No indication was given as to whether the appointive plan would take into account the political affiliation of appointees, he said.

Long a Democratic stronghold, the levee district would become subject to complete change in membership with each governor election, unless provisions were made for minority party representation or staggered terms.

Saying that it requires three board members for a quorum, Tolar and Molla said afterward that actions taken were not legitimate.

Both denied a split with Fields. Costello said the three district voters to "turn the screws" on Fields.

"they'll have to go to court."

At the last legislative session in 1959, Sen. Gray introduced, then amended and finally withdrew a bill that would have given the board unlimited taxing powers without referendum to build a mammoth hillside water diversion project.

endants, Miss Wanda Black, 217 Ashbrook street, and Bill Shambo, 1238 Oriole street. Trainbearer at left is Lee Ann Burgerer, daughter of Mr. and Mrs. William Burgerer, 528 Lincoln avenue. Christine Rumpf, daughter of Mr. and Mrs. Fred Rumpf, 111 Abbott street, is the trainbearer at the right.

On the brighter side, the lowest death toll since Quad-City area records have been maintained is likely this year.

Through November, there had been 18 fatalities, or five less than at similar time a year ago. In fact, this is less than in any year except 1958, when 17 occurred in January-November, and six that December for a 12-month figure of 23.

Previous one-year traffic death tolls have been 24 last year, the 23 two years ago, 28 three years ago, 27 four years ago, 26 five years ago, 44 six years ago and 24 seven years ago.

153 November Mishaps  
November 1960 records of local

police, sheriff's deputies and state troopers reveal 153 mishaps, 79 persons hurt and two killed.

The month's victims were Walter J. Price, 59, Bethalto, who died instantly Nov. 1 in a head-on collision of autos on Illinois Route 11, a half-mile north of Route 162; and Richard E. Marler, 51, of 10006 Cleveland, killed Nov. 2 when an auto overturned and rolled down an embankment along Route 67a in Hartford.

With the November statistics included, the monthly average for 1960 has consisted of 140 mishaps, 67 injuries and one and two-thirds deaths.

These figures compare with 1959 monthly rates of 135, 61 and two-thirds deaths, and low rates of 138-61-3 and 85-36-2.

## November Meter Receipts Average Year's 2nd Best

Meterville, November with two holidays, was a 24-day, short month, yet \$3680 in "deposits" was rung up in the curb-side timekeepers. It averaged up to 1960's best month.

With Veterans' Day and Thanksgiving holidays parked on the city's November's gross meter receipts still soared to third highest of year year. May retains premiere position with meter receipts of \$4106, while August, with 27 meter days, came up with \$3753.

Granite City Comptroller John Doher's compilations for parking fines showed \$184, in payments, considerably below the monthly average for 1960. Statistically, this is around \$240.

For the first 11 months of this year, parking meter receipts, according to Doher's ledger, amounted to \$38,955.

Fines collected from January through November amounted to \$3381.

For the statistical minded, day parking receipts averaged \$153.33—give or take a few fractions.

This is the year's second high-

FRANKLIN'S AWARD  
WAS HIS FIRST PRIZE  
Mr. E. Townsend, Editor Granite City Press-Record, 2417 Delmar street, won the Franklin's Award for the best editorial in the city for his editorial, "The Right to Life."

Dear Mr. Townsend:  
I wish to sincerely thank you for the \$100 savings bond which I received from you this morning, as winner of the 1960 population contest run by the Granite City Press-Record. This was the first prize of any consequence I ever won, so it was a thrill for me to win besides the value of the prize.

Yours sincerely,

### CHRISTMAS PARTY FOR GRANITE CITY UNIT

The Granite City unit of the Madison County Home Bureau met at St. John United Church Wednesday afternoon for a short business meeting and Christmas party.

Mrs. Genevieve Hill, chairman, conducted the business meeting and reports were heard from Mrs. Eileen Miller on the recent TV tour and on the federation meeting in Urbana Jan. 3 and Feb. 1. All unit members are being urged to attend, and plans are being made to charter a bus.

Hostess for the party was Mrs. Miller, who used white and gold for the decorations instead of the traditional red and green. A small white Christmas tree decorated with gold ornaments was used as the centerpiece on the table, and white and gold candles completed the table appointments.

Mrs. Hill assisted Mrs. Miller as hostess, and a dessert luncheon was served to 23 members and three guests, Mrs. Irma Berna, Mrs. Fern Thomas and Mrs. Lillian Kozor.

Lessons for the day were omitted and a reading was given by Mrs. Ann Pare on the "Therapy of Christmas." Games were played, with Mrs. Ann Tucker, Mrs. Kunneman, Mrs. Mary Kizian, Mrs. Low Allen, Mrs. Hill, Mrs. Leonora Hawke and Mrs. Izetta Stauder winning prizes.

Other members attending were Mrs. Alma Beckman, Mrs. Henrietta Branding, Mrs. John Brockman, Mrs. Betty Holt, Mrs. Fredrick Moller, Mrs. Morrison, Mrs. Amy Turnbull, Mrs. Oma Turnbull, Mrs. Hulda Griffith, Mrs. Alita Kelly, Mrs. Gladys Ozbun, Mrs. Vera Carr, Mrs. Evelyn Guth and Mrs. Alita Davis.

The next meeting will be Jan. 4.

### CHRISTMAS DINNER PARTY FOR CARD CLUB

The "Card club" held its Christmas party Wednesday evening, beginning with a dinner at the Rose Bowl and then an exchange of gifts and pinocle games at the home of Mrs. Leona Parnes, 1615 Lindell Blvd.

A dessert course was served by the hostess to Mrs. Nancy Duquenois, Mrs. Carol Miller, Mrs. Winter, Mrs. Shirley Halbrook, Mrs. Rubeen Miller and Mrs. Jo Ann Macdon.

A late dessert course was served by the hostess to the prize winners and Mrs. Della Harris, Mrs. Katherine Johnson and Mrs. Grace Hunsch. The next meeting will be Jan. 4 at the home of Mrs. Argelan, 2500 Hodges avenue.

### HOME FROM SHRINERS' HOSPITAL

Keith Kibort, three-year-old son of Mr. and Mrs. Albert Kibort, JR., returned home last week from the Shriners Hospital in St. Louis. He spent the past two and a half months as a patient at the hospital and underwent two operations and therapy treatment.

With one child just home from the hospital, the Kiborts have two daughters, Kathy and Karen, entering the Children's Hospital in St. Louis on Wednesday. They are scheduled for major surgery on Thursday morning and will be hospitalized for at least ten days, but are expected to be home for Christmas. Both girls attend Nameoki grade school.

### INVESTMENT FOR BROWNIE TROOP 89

Brownie Troop 89, sponsored by the Nameoki school PTA, held an investment ceremony Thursday afternoon in the Nameoki School cafeteria with parents and brothers of the new Brownies in attendance.

Mrs. Bernard Miller Jr., leader, assisted by the co-leader, Mrs. Ronald Weiss, conducted a "woodland elf ceremony." As 16 girls advanced along a path of leaves, a girl blocked their way. When each girl saw the promise, the rock was moved out of her path and she continued on her way until she encountered a woodland elf (mirror) surrounded by leaves. Told that a present was awaiting her among the leaves, each found her Brownie pin.

Guest speaker after the investment ceremony was Mrs. Kenneth McQuinn, Girl Scout representative of the Nameoki school. She spoke on the merits of girl scouting and on the national convention held recently in St. Louis.

Mrs. William Down and Mrs. Ed Yates, members of the troop committee, served refreshments to the guests and to the newly invested members of the troop.

Carol Hansen, Susan Greco, Laura Harsh, Gail Jackson, Barbara Ann Knapp, Joan McDaniel, Alice McKinney, Darrell Metcalf, Stephanie Miller, Deborah Sanders, Mina Turpoff, Cecilia Weiss, Linda Wilkinson, Deborah Woods and Sandra Yates.

### IOFA PSI CHAPTER FILLS HOLIDAY BASKETS

Mrs. Marilyn Harris was hostess to the IOFA Psi chapter of Beta Sigma Phi society Wednesday evening in the Harris home, 3156 Rogers avenue.

The meeting was conducted by the vice-president, Miss Jane Davis, and plans were discussed for the annual Christmas party Dec. 21, to be held in the home of Pat Winters, 125 Rivers drive.

Christmas baskets for the needy were filled and will be given to the Salvation Army for distribution. A report was made on the five members who collected for the tuberculosis fund. Christmas trees that had been made by the members of the centerpieces were completed and are being sold.

A dessert luncheon was served by the hostess to Miss Davis, Miss Pat Mega, Mrs. Nancy Duquenois, Mrs. Carol Miller, Mrs. Winter, Mrs. Shirley Halbrook, Mrs. Rubeen Miller and Mrs. Jo Ann Macdon.

A late dessert course was served by the hostess to the prize winners and Mrs. Della Harris, Mrs. Katherine Johnson and Mrs. Grace Hunsch. The next meeting will be Jan. 4 at the home of Mrs. Argelan, 2500 Hodges avenue.

### HUBER SPEAKER AT CLOVERVIEW CIVIC MEET

Home Huber, speaker at the school board, spoke at a regular monthly meeting of the Cloverview Civic Improvement Association Thursday evening.

The meeting was held in the American National Bank building. Dr. Harold W. See's transfer to the position of research professor of Southern Illinois University was discussed without discussion during a busy meeting of the STU board of trustees Thursday.

Dr. See resigned as vice-president and Southwestern campus dean last month and last month the action was voluntary following reports to the contrary.

Thirty other faculty changes were made, and the board authorized university officials to confer with representatives of the Ford Motor Company's Tractor and Implement Division on a possible training center on land at the local campus.

The trustees approved bids of \$26,995.97 on construction of five student residence halls and expansion of a dining hall at Carbondale, and authorized an agreement on the feasibility of a snowman cake and a gingerbread house for the school.

The honor was the recipient of many gifts. Mrs. Danna Hogan entertained the "Candlelighters" for the annual Christmas party Dec. 21, to be held in the home of Pat Winters, 125 Rivers drive.

Christmas baskets for the needy were filled and will be given to the Salvation Army for distribution. A report was made on the five members who collected for the tuberculosis fund. Christmas trees that had been made by the members of the centerpieces were completed and are being sold.

A dessert luncheon was served by the hostess to Miss Davis, Miss Pat Mega, Mrs. Nancy Duquenois, Mrs. Carol Miller, Mrs. Winter, Mrs. Shirley Halbrook, Mrs. Rubeen Miller and Mrs. Jo Ann Macdon.

A late dessert course was served by the hostess to the prize winners and Mrs. Della Harris, Mrs. Katherine Johnson and Mrs. Grace Hunsch. The next meeting will be Jan. 4 at the home of Mrs. Argelan, 2500 Hodges avenue.

### HOME FROM SHRINERS' HOSPITAL

Keith Kibort, three-year-old son of Mr. and Mrs. Albert Kibort, JR., returned home last week from the Shriners Hospital in St. Louis. He spent the past two and a half months as a patient at the hospital and underwent two operations and therapy treatment.

With one child just home from the hospital, the Kiborts have two daughters, Kathy and Karen, entering the Children's Hospital in St. Louis on Wednesday. They are scheduled for major surgery on Thursday morning and will be hospitalized for at least ten days, but are expected to be home for Christmas. Both girls attend Nameoki grade school.

### No Discussion As Transfer of Dr. See Is Approved

Dr. Harold W. See's transfer to the position of research professor of Southern Illinois University was discussed without discussion during a busy meeting of the STU board of trustees Thursday.

Dr. See resigned as vice-president and Southwestern campus dean last month and last month the action was voluntary following reports to the contrary.

Thirty other faculty changes were made, and the board authorized university officials to confer with representatives of the Ford Motor Company's Tractor and Implement Division on a possible training center on land at the local campus.

The trustees approved bids of \$26,995.97 on construction of five student residence halls and expansion of a dining hall at Carbondale, and authorized an agreement on the feasibility of a snowman cake and a gingerbread house for the school.

The honor was the recipient of many gifts. Mrs. Danna Hogan entertained the "Candlelighters" for the annual Christmas party Dec. 21, to be held in the home of Pat Winters, 125 Rivers drive.

Christmas baskets for the needy were filled and will be given to the Salvation Army for distribution. A report was made on the five members who collected for the tuberculosis fund. Christmas trees that had been made by the members of the centerpieces were completed and are being sold.

A dessert luncheon was served by the hostess to Miss Davis, Miss Pat Mega, Mrs. Nancy Duquenois, Mrs. Carol Miller, Mrs. Winter, Mrs. Shirley Halbrook, Mrs. Rubeen Miller and Mrs. Jo Ann Macdon.

A late dessert course was served by the hostess to the prize winners and Mrs. Della Harris, Mrs. Katherine Johnson and Mrs. Grace Hunsch. The next meeting will be Jan. 4 at the home of Mrs. Argelan, 2500 Hodges avenue.
